

8-Point Star Instruction Sheet

Step 1: Fold the page in half, both vertically and horizontally. Open up the page to reveal the folds.

Step 2: Draw lines over the horizontal and vertical folds.

Step 3: Using the compass, draw a circle at the centre of the page.

Step 4: Mark the points where the circle meets with the horizontal and vertical lines.

Step 6: Draw 4 more circles. Placing the compass centre at each of the points marked.

Step 7: Mark the 4 points that the circles intersect.

Step 8: Draw 2 diagonal lines joining the 2 sets of points.

Step 9: Number the points as shown here.

Step 10: Draw lines to every second point.

e.g. Line 1-3, 3-5, 5-7, 7-1, 2-4, 4-6, etc...

Step 11: Decorate the design however you like!
